The Alaska Railroad is seeking items to offer as prizes for employees participating in annual events during the fourth quarter 2023 - 1) our Annual Employee United Way Campaign; and 2) our annual employee holiday activities. Prizes come by way of trade-outs with local businesses, often introducing (or reminding) Railroaders of community favorites.

Prizes absolutely enliven our holiday celebrations. They also have proven to be effective incentives for inspiring charitable contributions. Each year, our employees donate thousands of dollars to support United Way and Food Bank agencies in Alaska.

Because these employee activities are held fairly close together, we combine our trade requests into one. In exchange for gift certificates or donated items from your company, ARRC would reciprocate with rail passes to use during the winter 2023-2024 and 2024 summer passenger seasons on the Alaska Railroad system-wide. You may use these passes during your company's own United Way campaign, holiday events, or for any other employee / business incentive.

The value of the tickets does vary, so please let us know what you would prefer in exchange.

We have the following trip pass values. Each trip is good for two (2) adult passengers traveling together round-trip:

Anchorage - Whittier (summer, aboard <i>Glacier Discovery train</i>).....	\$258
Anchorage - Spencer Glacier (summer, aboard <i>Glacier Discovery train</i>).....	\$290
Anchorage - Grandview (summer, aboard <i>Glacier Discovery train</i>).....	\$326
Anchorage - Seward (summer, aboard <i>Coastal Classic train</i>)	\$422
Anchorage/Wasilla - Talkeetna (summer, aboard <i>Denali Star train</i>).....	\$476
Anchorage/Wasilla - Denali (summer, aboard <i>Denali Star train</i>).....	\$772
Anchorage/Wasilla - Fairbanks (summer, aboard <i>Denali Star train</i>).....	\$1,108
<i>includes an optional rail-only stopover in Denali</i>	
Fairbanks - Denali (summer, aboard <i>Denali Star train</i>).....	\$352
Anchorage/Wasilla-Fairbanks (winter, aboard <i>Aurora winter train</i>)	\$972

If you are interested in this worthwhile exchange in support of our community, or have any questions, please contact any of us as members of ARRC's Employee United Way Team.
